

Generations Chamber Ensemble

The Generations Chamber Ensemble is comprised of musicians from Bucks County who wish to perform community concerts for the public. We especially enjoy wish to provide quality music for community residents who normally do not have the opportunity to hear chamber music. In Memory of Peter Cowan (1940-2019)

Our final musical selection “*Just A Closer Walk With Thee*” is in Memory of our fellow musician, Pete, who was a long time member of Generations Chamber Ensemble. We chose this music because he enjoyed playing this music for other fellow musicians who passed away. He played bass clarinet with the ensemble and also with the Quakertown Band. We will miss Pete’s comical anecdotes which made us laugh many times during rehearsals. He loved to play music and was a good friend and we miss him dearly.
